

# Home Learning

## Task 1

Research ten facts about Lancashire and record them in your Home Learning book.

## Task 2

In your Home Learning book, research the Lancashire flag and sketch and colour your own red rose.

## Task 3

Write a recount of your first week back at school. Remember to write in the first person, use the past tense and include time connectives (e.g. first, next, after that, finally).

## Task 4

Use food labels to explore the nutritional content of a range of food groups and create a food diary for the week.

## Task 5

Thinking back to the illustrations in *The Iron Man* by Ted Hughes, create your own pictures based on the events of the book, in a similar style and label the different body parts. You could even use craft materials to build your own robot model.

## Task 6

The Iron Man likes eating metal. How many different types of metal can you think of? Plan a tasty three course menu for him using different metal objects.

**Compulsory home learning is learning spellings, reading and timetables.**  
**Elective Home learning- Each task is equivalent to 1 hour of additional learning a week. If you would like to spend more time on a particular task that interests you, that would be GREAT! Dojos will be awarded for completed tasks.**
