

# Home Learning

## Task 1

Draw five things that could be powered manually or by electricity.

## Task 2

Write a description of a world with no electricity.

## Task 3

Interview an older relative about the ways in which Blackburn has changed in their lifetime.

## Task 4

Research the history of Blackburn.

## Task 5

Make a box that would protect an egg. Drop it from a height to test its strength.

## Task 6

Draw a circuit of the electrical items in your living room (after this has been taught in class).

**Compulsory home learning is learning spellings, reading and timetables. Elective Home learning- Each task is equivalent to 1 hour of additional learning a week. If you would like to spend more time on a particular task that interests you, that would be GREAT! Dojos will be awarded for completed tasks.**
