

Learning Overview

Reading, Writing, Spelling & Grammar

We will be exploring 'The Lost Happy Endings' in English, focusing on creating a 'twisted tale' and a persuasive letter. We will be working on fronted adverbials, expanded noun phrases, apostrophes for possession, pronouns to avoid repetition and fluency of writing. In shared reading, we will be continuing to work on inference, vocabulary, effect of author's use of language, summarizing and the close reading of texts.

RE

We will be exploring the theme of trust and betrayal through the Easter Story and the lives of the disciples.

Maths- Fluency, Reasoning & Problem Solving

In maths, we will be recalling our prior learning and using what we already know to build on our knowledge and learn and remember more. Our focus this will be on written methods to add and subtract, including using exchange to 'carry' numbers. We will also continue our work on 2D shape, position and direction, area and statistics.

DT

We will design and make an electrical product using our knowledge of circuits. We will also be using computer aided design software.

Science

We will be continuing to explore states of matter and thinking about how they change and why.

We will be thinking about how states of matter affect our lives.

Computing

Junior Jam

PSHE

Healthy me is the theme for this half term. We will be thinking about healthy relationships and influences.

History- Ancient Greece

We will be comparing the city states of Athens and Sparta and asking ourselves-

What were the values of these civilisations?

Music
