

# CLASS NEWSLETTER

## Learning Overview

Welcome to Year Six. Yours child's class teachers will be Mrs Livesey (6LV) and Mrs Lawton (6L). They will be supported by Miss Avery, Miss Regan and Mrs Bell.

This half term our learning in English and guided reading will focus around World War II. In particular, the children will learn about the story of Rose Blanche. Learning in mathematics will involve developing our knowledge of place value, algebra and the four operations of calculation. Science and geography will have a focus on the environment, wildlife, biomes and environmental factors that have caused flora and fauna to adapt and evolve over time.

Mondays will be an exciting day as we welcome Junior Jam into school to teach PE, music, computing and French using the latest technology and taught by specialist teaches to enhance your child's curriculum offer.

## Reminders

Please ensure your child reads at least three times a week and learns their spellings. Times tables are important and help in all areas of Maths; please encourage your child to practise as often as possible on TT Rockstars. Home learning is attached below.

PE is on a Monday and a Friday.

## Key Dates

06/9/24 – Trip to Canalside

18/9/24 – Meet the teacher

18/10/24 – Parents invited into school to view our 'showcase' of work.
