The Lost Book of Adventure.

This half term we are starting a new English and Guided Reading Scheme. Our children will be going on a journey to various new places across the world. We will be writing our own narratives based on the story and children will be using their imagination as well as exploring different features.

Science

This half term we will continue to learn about properties of material. However, we will be concentrating more on reversible and irreversible materials.

English

Our English focus involves using the novel 'The Lost Book of Adventure' to complete two outcomes. One being a survival narrative and one being a survival guide. Children are already enjoying the new unit.

Maths

We return back to learning more about fractions, decimals and place value.

We'll also build on our knowledge of shape as well as multiplication, division, addition and subtraction.

Keep learning times tables facts for all tables!

Geography

In Geography we are learning about coasts and how they are formed. This will include thinking about how we can help protect our local coasts by climate change.

R.E.

Our topic is entitled: "People of faith": How does having faith effect peoples lives?

We will be looking at Buddhism, Hinduism, Christianity and Islam.

ART.

In Art, children will look at how architects have created a better world and we will explore whether we should dream big or dream small when it comes to planning for the future.

P.E.

Please ensure your child has the correct P.E kit in school,

5A - Indoor kit on Monday / Outdoor kit on a Friday

5C - Outdoor kit on Monday / Indoor PE on a Wednesday.

Homework

Homework will be given to your child on a Monday and should be completed by the following Monday. Work should be neatly presented and written in pen or pencil.

If you misplace your homework, please let your teacher know.
